DAILY CURRENT AFFAIRS 01-09-2022

NATIONAL NEWS

Vaccine Against Cervical Cancer

- In a first, India to get its first vaccine against cervical cancer on 01 September 2022.
- The most awaited vaccine will be launched by the Union Minister of State (Independent Charge) Science & Technology Jitendra Singh.
- The cervical cancer vaccine named Quadrivalent Human Papillomavirus vaccine (qHPV) has been developed by the Serum Institute of India (SII) and Department of Biotechnology (DBT).
- Serum Institute's qHPV vaccine got market authorization from the Drugs Controller General of India (DCGI) on 12 July 2022.

India's First 'Virtual School'

- Delhi Chief Minister Arvind Kejriwal launched the "country's first virtual school".
- Students from all across the country will be eligible for admissions.
- The school is for classes 9-12 and the application process for the Delhi Model Virtual School (DMVS) began.
- The classes will be online and recorded lectures will also be uploaded online.

World's Largest Carbon Fibre Plant

- Reliance Industries chairman Mukesh Ambani announced to build India's first and one of the world's largest Carbon Fibre plants at Hazira, Gujarat.
- The plants will have a capacity of 20,000 MTPA based on Acrylonitrile feedstock.
- The first phase of the plant will be completed in 2025.
- Carbon fibre is a lightweight material with high conductivity that has the potential to replace steel.
- The company will further integrate its composites business with Carbon Fibre to produce Carbon Fibre composites.

IIT-Madras and IIS

- Researchers at the Indian Institute of Technology (IIT) Madras partnered with the Inspire Institute of Sports (IIS).
- They have partnered to create a low-cost boxing analytics platform called 'Smartboxer,' to increase India's boxing medal tally at the Olympics 2024.
- The multi-version software is designed to provide feedback and performance assessments through Internet of Things (IoT)-enabled wearable sensors and video cameras.
- 'Smartboxer' is one among the many initiatives of IIT Madras aimed towards the Indian government's ambitious goal of winning more medals in the Olympics.

One Nation One Fertilizer

- One Nation One Fertilizer is introduced to unify fertilizer brands across the country and the government issued an order to all enterprises to promote their products under the brand name "Bharat".
- According to the One Nation One Fertilizer order all fertilizer bags containing urea di-ammonium phosphate (DAP), muriate of potash (MOP) or NPK will bear the brand names "Bharat Urea," "Bharat DAP," "Bharat MOP" and "Bharat NPK" regardless of the company that manufactures them whether in the public or private sector.
- As part of the One Nation One Fertilizer initiative, under which the Central Government yearly subsidizes the fertilizer companies, the Pradhan Mantri Bhartiya Janurvarak Pariyojana (PMBJP) brand name and logo must be shown on the bags.

Mobile app "JK Ecop"

- In Jammu and Kashmir, the J&K Police has launched online Mobile application "JK Ecop", an easy way to use interface to facilitate common people.
- Mobile App enables the citizens to use a host of services ranging from registering a complaint to downloading a copy of FIR.
- A citizen can make requests like obtaining a character certificate, employee verification, event performance or tenant or PG verification through this Mobile App.
- Other services regarding the traffic police are also available to the citizens through this App.

INTERNATIONAL NEWS
