Indian Railways Launches 'Swarail' SuperApp For Seamless Travel Experience

The Ministry of Railways has unveiled its new SuperApp 'SwaRail', designed to be a one-stop solution for all railway-related services.

Currently in its beta testing phase, the app is available for download on the Google Play Store and Apple App Store.

The key focus of this app is to enhance user experience through a seamless interface, integrating various railway services into a single platform, thereby reducing the need for multiple apps and saving space on user devices.

It was developed by Centre for Railway Information Systems (CRIS).

Users can access all services through a single login. The same credentials used for other Indian Railways apps, like IRCTC RailConnect and UTS Mobile App, will work seamlessly with the SwaRail app.

Kerala to Implement E-Way Bill for Gold

The Goods and Services Tax Network (GSTN) has introduced a new E-Way Bill (EWB) feature exclusively for gold in Kerala, effective January 20, 2025.

This initiative aims to regulate the intrastate movement of gold while preventing tax evasion in the sector.

The new feature applies to goods classified under Chapter 71 of the Harmonized System of Nomenclature (HSN), excluding imitation jewellery (HSN 7117).

The Government of Kerala has issued a notification making it mandatory for taxpayers to generate an EWB for gold transportation within the state.

The EWB system for gold is applicable only for intrastate movement and does not cover imitation jewellery (HSN 7117).

Taxpayers can continue generating EWBs for imitation jewellery using the standard EWB system.

The GSTN clarified that this feature is designed to assist taxpayers in compliance while enhancing tracking and accountability in the gold trade.

This initiative is expected to curb tax evasion and improve transparency in Kerala's high-value gold sector.

IPPB is a payments bank that operates under the Department of Posts, Ministry of Communications.

Financial Intelligence Unit-India Imposes Penalty On Bybit Fintech Limited

The Financial Intelligence Unit-India (FIU-IND) has imposed a monetary penalty of ₹9,27,00,000 (Nine crore twenty-seven lakh rupees) on Bybit Fintech Limited for violations under the Prevention of Money Laundering Act (PMLA), 2002.

Bybit is a Virtual Digital Asset Service Provider (VDA SP), classified as a 'reporting entity' under Section 2(1)(wa) of the PMLA.

Bybit failed to secure mandatory registration with FIU-IND while expanding its services in the Indian market, leading to continuous non-compliance.

Due to these violations, FIU-IND ordered the blocking of Bybit's websites under the Information Technology Act, 2000, through the Ministry of Electronics and Communication Technology (MEITY).

FIU-IND had issued Anti-Money Laundering (AML) and Combating the Financing of Terrorism (CFT) guidelines for Virtual Digital Assets on March 10, 2023.

A detailed registration circular for Virtual Digital Asset Service Providers was issued on October 17, 2023.

Visa Teams Up with Elon Musk's X to Introduce 'X Money'

Accounts

X (formerly Twitter) is moving towards becoming an "everything app," a concept Musk has envisioned for years, and is partnering with Visa to launch real-time payments in 2024, introducing a new digital wallet service called "X Money Account" for peer-to-peer payments.

The service will be powered by Visa Direct for real-time money transfers.

Users can transfer funds to their bank accounts.

Musk's idea of an "everything app" dates back to the late 1990s with com, which later merged into PayPal.

He envisioned a multi-functional platform similar to China's WeChat, which includes messaging, video, streaming, and payments.

Other tech giants like Meta (Facebook, Instagram) have integrated shopping, games, and dating features into their platforms.
