NATO Commemorates 75th Anniversary as Foreign Ministers Convene

North Atlantic Treaty Organization (NATO) Foreign Ministers gathered at NATO Headquarters, Brussels, Belgium to mark 75 years since the signing of the Washington Treaty.

NATO approved a proposal for a 100-billion-euro, 5-year fund to Ukraine.

Since 1949, the Alliance has ensured peace, democracy and prosperity for its members, now counting 32 Allies and one billion people on both sides of the Atlantic.

The Washington Treaty, or North Atlantic Treaty, forms the basis of the North Atlantic Treaty Organization (NATO).

It was signed in Washington D.C. in 1949, by 12 founding members.

The Treaty derives its authority from Article 51 of the United Nations Charter, which reaffirms the inherent right of independent states to individual or collective defence.

Collective defence is at the heart of the treaty and is enshrined in Article 5.

It commits members to protect each other and sets a spirit of solidarity within the Alliance.

First Indian to Win a ATP Master 1000 Match on Clay

India's top tennis player Sumit Nagal has reached the second round of the Rolex Monte Carlo Masters.

95th-ranked unseeded Sumit Nagal has now become the third Indian to reach the main draw of the Monte Carlo Masters.

Nagal became the first player to play an ATP Masters 1000 match on clay since 1990.

Sumit Nagal became the first Indian man to win a match in a Masters 1000 tournament on clay courts on 8 April 2024.

The top-ranked Indian singles player produced a spectacular comeback effort to defeat Italy's Matteo Arnaldi.

The Monte-Carlo Masters is a tennis tournament for men's professional players. It is organized in Roquebrun-Cap-Martin, France.

It is played on clay courts at the Monte Carlo Country Club and takes place in April.

RANKS, INDICES & REPORTS

In 2022, India was at the Top of WADA's List of Doping Offenders

According to the 2022 World Anti-Doping Agency (WADA) report, India has the highest percentage of doping offenders among countries. Out of 4,064 samples collected from Indian athletes, 127 individuals tested positive for banned substances, which is 3.26% of the sample size.

Trailing India, South Africa, and Bangkok's laboratories were ranked second and third, with doping failures at 2.04% and 1.93%

India's count surpassed sporting nations like Russia, the United States, Italy, and France.

China led in the sheer volume of tests conducted, with 17,357 samples and a relatively low AAF percentage of 0.25%.

This trend is alarming and highlights the need for comprehensive measures to address this growing problem in Indian sports.

Furthermore, the report reveals a 6.4% increase in the total number of samples analyzed compared to the previous year.

IMPORTANT DAYS

CRPF's 59th Bravery Day

Every year April 09 is celebrated as Bravery Day (Valour Day) to pay tribute to the brave soldiers of the Central Reserve Police Force (CRPF).

In 1965, a group of Pakistani soldiers attacked some other Indian soldiers near the Rann of Kutch. The Indian soldiers were unaware of this sudden attack, as they did not know that the attack was going to happen.

During this attack, a CRPF officer named Bhavana Ram had saved a place called Sardar Post from infiltrators in a fight.

This was the first time that a special group of police fought directly with Pakistani soldiers and they won. Six police officers died in this fight. To remember their bravery, every year we celebrate CRPF

Bravery Day on 9th April.
