NATIONAL NEWS

TN Sets Up Kurian Joseph Committee To Review Center State Relation

The Tamil Nadu government has announced the constitution of a three-member committee headed by former Supreme Court Judge Justice Kurian Joseph to review centre-state relations.

The Chief Minister, MK Stalin, announced the decision in the state legislative assembly on 15 April 2025.

The three-member committee, headed by Former Supreme Court Judge Justice Kurian Joseph, also includes former IAS officer Ashok Vardhan Shetty and former Vice-Chairman of the State Planning Commission M Naganathan.

According to the state government, the committee will make a recommendation on the following issues;

Examine the constitutional provisions and recommend appropriate measures to restore subjects that the central government has transferred from the State List to the Concurrent List;

Consider recommendations of the Rajamannar Committee, Sarkaria Commission and Punchhi Commissions on Centre-state relations in the context of changed socio-political and economic developments;

Suggest reform to ensure maximum autonomy to the states.

The Committee is expected to submit its interim report by January 2026 and its final report within two years.

Uttar Pradesh Yogi Adityanath Announces State Anti-Poverty Scheme

Uttar Pradesh Chief Minister (CM) Yogi Adityanath announced the 'Zero Poverty' mission will be named after Dr Bhimrao Ambedkar.

The mission will launch later this month and aims to lift every underprivileged individual above the poverty line.

Inspired by PM Narendra Modi's vision, it ensures access to basic amenities and welfare schemes for the poor.

In Phase 1, around 14-15 lakh families will be identified; each gram panchayat will cover 20-25 deprived families.

UP will be the first state in India to take such decisive steps toward zero poverty.

A commemorative souvenir was released on Ambedkar Jayanti by the UP government.

CM recalled Ambedkar's higher education in England and his role in uplifting the deprived and marginalised.

Dr Ambedkar was the first Law Minister of India and Chairman of the Constitution Drafting Committee.

CM hailed the Constitution's role in making India the world's largest and most vibrant democracy.

The journey to fulfil Ambedkar's vision began under Atal Bihari Vajpayee and strengthened under PM Modi.

Nagaland Government Launches Solar Mission

On 14 April, 2025 Chief Minister Neiphiu Rio formally launched the Nagaland Solar Mission at the Nagaland Civil Secretariat, Kohima, in presence of Minister KG Kenye and senior officials.

The mission aligns with the Prime Minister's Surya Ghar: Muft Bijli Yojana (PMSG:MBY) and aims to install residential Rooftop Solar (RTS) systems across the state.

The initiative is a strategic move to address power deficits and support India's green energy revolution.

The Nagaland Government will provide an additional state subsidy of up to ₹50,000 for solar installations up to 3 kW capacity, over and above the central subsidy.

This combined subsidy model (central + state) will cover most of the installation cost, making solar energy more accessible for households.

Households will also benefit by reducing electricity bills through power generation and grid contribution from the installed rooftop systems.

Citizens of Nagaland were encouraged by the Chief Minister to participate in this shift toward sustainable energy.

Northeast's First Onco-Robotic Surgery Facility- Guwahati

The Assam State Cancer Institute at Guwahati launched Northeast's first onco-robotic surgery facility on 14 April, 2025.

This state-of-the-art healthcare facility enables minimally invasive procedures with enhanced precision, control and 3D visualization.

The robotic surgeries would significantly reduce operation time, lower the risk of bleeding and allow for more accuracy and ease in complex procedures.

This will be a major milestone in the Northeast in cancer care by enabling advanced surgical

precision and improved patient outcomes.

Similar robotic surgery facilities will soon be launched in Dibrugarh and Silchar too.

This will benefit patients from Upper Assam and the Barak Valley.

BANKING

IFC Launches Call For Expression Of Interest

The International Finance Corporation (IFC) has launched a call for expression of interest for eligible financial services providers (FSPs) to participate in the Catalytic First Loss Guarantee Facility under its MSME Finance Platform.

The facility's objective is to increase access to finance for women-owned businesses, promote agriculture and climate financing, and support MSME lending.

It aims to show the commercial viability of these segments and experiment with new products, services, and risk criteria.

The facility will offer a first loss guarantee to eligible FSPs to scale up MSME lending, fostering economic growth and job creation.

MSMEs represent over 90% of all firms, contribute 70% of total employment, and account for 50% of GDP

The MSME finance gap is currently estimated at \$5.7 trillion, rising to \$8 trillion when informal businesses are included.

Adel Meer, IFC's Global Manager for Financial Inclusion, emphasized the importance of local currency credit mobilization to support underserved MSMEs.

Eligible FSPs include regulated banks, non-bank financial institutions, digital lenders, leasing companies, and microfinance institutions.

FSPs must meet IFC's qualification criteria, including Environmental & Social Risk Rating (ESRR), Integrity Due Diligence (IDD), financial and operational capability, and developmental impact.
