Women Accorded Top Priority Under PM Mudra Yojana Scheme

 \cdot Union Finance and Corporate Affairs Minister Nirmala Sitharaman, women entrepreneurs are accorded first priority under the Centre's flagship Pradhan Mantri Mudra Yojana (PMMY) scheme which offers financial assistance to beneficiaries.

 \cdot Distributing sanction letters to beneficiaries under the PM SVANidhi Se Samriddhi programme which offers loans to street vendors, here, she said officials of the municipalities should identify the uncovered street vendors and help them avail benefits of this scheme.

 \cdot SVANidhi Se Samriddhi is an additional component of the PMSVANidhi scheme to facilitate access to eight Central government schemes to eligible PM SVANidhi beneficiaries and their family members for their holistic development and socio-economic upliftment.

 \cdot More than 60% of the loans provided under the PMMY scheme go to women entrepreneurs.

 \cdot PMMY provides loans up to Rs 10 lakh to non-corporate, non-farm small/micro enterprises.

UGC Notifies Regulations For Foreign Universities

 \cdot The University Grants Commission (UGC) issued regulations for foreign universities to establish and operate campuses in India.

 \cdot As per the regulations, foreign universities can collaborate to set up campuses in India, if they meet eligibility criteria individually.

 \cdot Foreign universities setting up campuses shall seek prior approval from UGC before starting new courses.

 \cdot They should have secured a position within the top 500 in global rankings.

 \cdot For setting up more than one campus in India, for eign universities need to make separate applications.

 \cdot Foreign university campuses in India will be given the autonomy to recruit faculty and staff as per their recruitment norms.

 \cdot Foreign university campuses in India will not be allowed to offer online courses or distance learning.

 \cdot Also, the final rules have increased the time period for the standing committee to process applications from 45 days to 60 days.

INTERNATIONAL NEWS

South Africa Introduces Tax Incentives

 \cdot South Africa has implemented its first-ever tax incentives to encourage the preservation of endangered species.

 \cdot The South African Environment Ministry has entered into Biodiversity Management Agreements (BMAs) with three landowners in Limpopo province.

· These agreements aim to secure the protection of privately-owned lions and rhinos.

 \cdot The Department of Forestry, Fisheries, and the Environment collaborated with the Sustainable Finance Coalition and Wilderness Foundations Africa in developing these biodiversity management agreements.

 \cdot The agreement allows the owners to deduct all their expenses related to conservation from their taxable income.

 \cdot In order to activate the agreements applicants have to sign a management plan of at least a fiveyear duration with the department. The incentive falls under the category of Threatened Species and Other Effective Area-based Conservation Measures (OECMs).

BANKING

First Sovereign Green Bond of FY24

 \cdot The government successfully raised Rs 5,000 crore through the first issuance of sovereign green bonds for the current financial year.

 \cdot The five-year papers were issued at a coupon rate of 7.25%, and investors did not offer significant greenium for the issuance.

 \cdot The yield on the 5-year government bond closed the day at 7.27%.

 \cdot As part of the FY24 borrowing program, the government plans to raise a total of Rs 20,000 crore through sovereign green bonds.

 \cdot This issuance shall comprise Rs 10,000 crore of 30-year green bonds, and an additional Rs 5,000 crore each of bonds with maturities of 5 years and 10 years.

 \cdot In the previous financial year, the government raised Rs 16,000 crore through two tranches of 5-

year and 10-year green bonds.

 \cdot The greenium, which signifies the premium investors are willing to pay for green bonds because of their sustainability impact, reduced from 6 basis points in the first tranche to just 1-5 basis points in the second tranche.

 \cdot Funds generated via the sale of green bonds will be allocated to public sector projects aimed at decreasing the carbon footprint of the economy.

CCI Clears the Acquisition of Additional Stake in Niva Bupa Health Insurance

 \cdot Fair trade regulator Competition Commission of India (CCI) has approved the acquisition of an additional stake in Niva Bupa Health Insurance Company by Bupa Singapore Holdings Pte.

 \cdot Bupa Singapore Holdings is a shareholder of Niva Bupa and a subsidiary of international healthcare group The British United Provident Association Ltd (Bupa).

 \cdot The transaction relates to the secondary purchase of shares by Bupa Singapore Holdings in the Niva Bupa Health Insurance Company from Fettle Tone LLP.

 \cdot After the transaction, the shareholding of Bupa Singapore Holdings will increase to 63% in Niva Bupa Health Insurance.

 \cdot Niva Bupa Health Insurance provides insurance policies in India, while Fettle Tone LLP is a special purpose vehicle (SPV) set up by private equity firm True North Fund.

 \cdot The CCI has cleared the deal under the green channel route.

DEFENCE

Joint Exercise "Vajra Prahar 2023"

 \cdot The 14th edition of the India-US joint special armed forces exercise, "Vajra Prahar 2023," commenced on November 21, 2023, at the Umroi Joint Training Site.

 \cdot The United States contingent was represented by soldiers of the 1st Special Forces Group (SFG) of the US Special Forces.

 \cdot Special Forces personnel from the Eastern Command are leading the Indian Army contingent.

 \cdot Vajra Prahar Exercise involves collaborative training between the special forces of the Indian Army and the US Army.

 \cdot Vajra Prahar aims to share best practices and best experiences in areas such as joint program planning and operational strategy.

 \cdot Vajra Prahar Exercise has developed into a platform for the special forces of both nations to exchange ideas and disseminate best practices.

 \cdot This is also a big opportunity to increase interoperability between the armies of India and America and strengthen defense cooperation.

India's Maiden Naval Anti-Ship Missile

 \cdot Indian Navy in collaboration with Defense Research and Development Organization (DRDO) successfully test-fired indigenous naval anti-ship missile on 21 November 2023.

 \cdot This test was conducted by the Indian Navy from a Seaking 42B helicopter.

 \cdot It is a missile designed for long-range anti-ship capabilities.

 \cdot This test is a very important step towards self-reliance in terms of missile technology of the Indian Army.

 \cdot In this test conducted by the Indian Navy, the seeker and guidance technology of the missile was also tested.

 \cdot According to the statement issued after the test, several new technologies have been used in the missile, including an indigenously developed launcher for the helicopter.

 \cdot The effectiveness of a missile hinges on its guidance technology, and achieving target precision is integral to the guidance system.
