- Senior officials from India, Israel, the United States and the UAE will attend the meeting. During the meeting, opportunities to advance regional cooperation will be discussed.

- Investment opportunities to build partnerships addressing the region's most pressing issues, including management of the energy crisis and food insecurity will also be discussed.
- The aim is to cooperate on 'joint investments and new initiatives in water, energy, transportation, space, health, and food security.'

## **BANKING**

### **India and Singapore Launch Joint Digital Payment Mechanism**

- The Prime Minister (PM) of India Shri Narendra Modi and his Singapore counterpart Lee Hsien Loong launched cross-border connectivity between the Unified Payments Interface (UPI) of India and PayNow of Singapore through video conferencing.
- The linkage of UPI and PayNow will make it possible for citizens of both nations to send remittances across borders more quickly and affordably.
- A quick and inexpensive money transfer from Singapore to India will benefit the Indian community in Singapore, particularly migrant workers and students.
- This allows apps' users to use their Indian bank accounts to pay at merchant outlets in the UAE, Singapore, Mauritius, Nepal and Bhutan.
- The RBI, the Monetary Authority of Singapore, the NPCI International Payments Ltd, Banking Computer Services Pte Ltd, participating banks as well as non-bank financial institutions worked together to create the linkage.
- Private transfer receipts primarily represent remittances by Indians employed overseas.
