Delhi Government Plans to Extend EV Policy Till March 2025

Delhi's Electric Vehicle (EV) policy is set to be extended until March 2025 as directed by Transport Minister Kailash Gahlot.

The proposal will be submitted for Cabinet approval, ensuring the continuation of subsidies and perks like road tax exemption for EV buyers.

A new version, EV Policy 2.0, is currently being drafted and is expected to be finalized within 2-3 months.

The existing policy, initially set to expire in August 2023, has already been extended and will remain active to avoid disruption for EV buyers.

Launched in August 2020, the EV policy aims to curb vehicular pollution and increase the share of electric vehicles (EVs) to 25% by 2024.

The policy has seen 9% of total vehicle registrations in Delhi being EVs since 2020, with over 2 lakh e-vehicles sold between 2020 and 2024.

N. Sitharaman Attends 9th AIIB Board of Governors Meeting in Samarkand

Union Minister for Finance and Minister for Corporate Affairs Nirmala Sitharaman represented India at the 9th Asian Infrastructure Investment Bank (AIIB) Board of Governors meeting in Samarkand, Uzbekistan.

The 9th AIIB Board of Governors meeting was held in Samarkand on 25-26 September 2024.

The theme of the 9th AIIB Board of Governors meeting was: Building Resilient Infrastructure for All.

The theme highlights the AIIB's emphasis on developing financial tools that will help member countries withstand climate-induced shocks and increase their resilience to such shocks.

In June 2024, the AIIB introduced Climate Policy-Based Financing (CPBF) to mobilise private capital so that member countries can meet their financial needs for achieving their national climate action plans.

S.Jaishankar Signs BBNJ Agreement to Protect Marine Biodiversity

India has officially joined the Biodiversity Beyond National Jurisdiction (BBNJ) Agreement, which seeks to protect marine biodiversity on the high seas.

Indian External Affairs Minister S. Jaishankar, on behalf of the Government of India, signed the BBNJ agreement on 25 September 2024 at the United Nations General Assembly in New York, the United States of America.

The Union Cabinet approved the BBNJ agreement in a meeting chaired by Prime Minister Narendra Modi on 2 July 2024.

The nodal ministry to implement the provisions of the BBNJ agreement will be the Union Ministry of Earth Science.

The Biodiversity Beyond National Jurisdiction (BBNJ) agreement, also popularly known as the 'High Seas Treaty', is an international agreement sponsored by the United Nations under the United Nations Convention on the Law of Sea (UNCLOS).

The agreement provides a set of mechanisms to protect marine biodiversity in the high seas and to sustainably use marine resources (oil and gas, fish, minerals, etc) through international cooperation.

It prohibits any nation from claiming exclusive rights to marine resources on the High seas.

The agreement aims to minimise impacts on the marine environment through area-based management tools and by establishing rules for environmental impact assessments.

IMPORTANT DAYS

World Maritime Day

On the last Thursday of September, World Maritime Day is observed worldwide by seafaring communities.

In 2024, World Maritime Day will be observed on 26 September 2024.

The day focuses on the importance of shipping lane safety, maritime security, and the marine environment, emphasising a particular aspect of the International Maritime Organisation's work.

In India, the National Maritime Day is observed on 5th of April.

The National Maritime Day was first observed on 5 April 1964 to spread awareness and recognise the efforts and contribution of India's maritime sector in enhancing the country's economic growth and development.

The 2024 National Maritime Day theme was Navigating the Future: Safety First.

The International Maritime Organisation (IMO) organised the first World Maritime Day in 1978 to mark the 20th anniversary of the IMO Convention's entry into force.
