#### **Union Labour Ministry to Convene Meeting on New Labour Codes in December**

The Union Labour Ministry is expected to organize a "Chintan Shivir" (brainstorming session) in early December to discuss the rollout of the four new labour codes and address labour-welfare policies.

The meeting will involve labour ministers from all states and Union Territories (UTs), with the aim of gauging their preparedness and ensuring a uniform approach towards implementing the codes.

The session will focus on bringing all states and UTs on board for the successful implementation of the new labour reforms.

The four labour codes, which have been part of the Centre's long-pending reforms agenda, are designed to simplify and consolidate existing labour laws.

States have been instructed to conduct a comparative study of the draft rules they have framed concerning the new labour codes.

This analysis will be reviewed during the session to address any disparities and ensure that the new codes can be implemented uniformly across the country.

The four labour codes—Code on Wages, Industrial Relations Code, Social Security Code, and Occupational Safety, Health and Working Conditions Code

## **Bihar Chief Minister Nitish Kumar Launches Panchayat Development Projects**

Bihar Chief Minister Nitish Kumar inaugurated and laid the foundation stone for various projects worth Rs 7,160 crore.

The projects include the establishment of 2,615 panchayat government buildings across different blocks in Bihar.

A panchayat resource centre was inaugurated in Sonapur, Saran district, aimed at enhancing local governance.

The launch of the e-gram kachhari court management system and the portals for several district councils were part of the inauguration.

Officials were instructed to complete the construction of all panchayat buildings by June 2025.

The Bihar government has set a goal to construct panchayat government buildings in every gram panchayat, with initial progress reported on 330 buildings.

### **World Health Organization Secures \$1 Billion for 2025-28**

The World Health Organization (WHO) has secured \$1 billion in pledges for its budget covering 2025-28.

Nearly \$700 million of this total consists of new funding commitments from various European countries, foundations, and organizations.

Meanwhile, \$300 million was made up from reaffirmed funding commitments.

The funding was announced during the WHO Investment Round Signature Event at the World Health Summit in Berlin, co-hosted by Germany, France, and Norway.

This funding is crucial for implementing WHO's Fourteenth General Programme of Work 2025-2028, which was approved by the organization's 194 Member States at the World Health Assembly earlier this year.

### **Aditya Birla Housing Finance Teams up with BharatPe**

Aditya Birla Housing Finance Ltd. (ABHFL), a subsidiary of Aditya Birla Capital Limited., has partnered with BharatPe, a fintech company, to enhance access to home loans and loans against property for BharatPe's merchant partners.

ABHFL is the first housing finance company to collaborate with BharatPe, aiming to streamline access to secured lending through innovative digital solutions.

The partnership focuses on significantly enhancing the user experience by providing advanced digital solutions for loan applications.

The collaboration aims to serve over 1.3 crore merchants associated with BharatPe across more than 450 cities, with an emphasis on Tier 2 and Tier 3 markets.

In August 2024, BharatPe expanded into secured loans by launching two-wheeler loans and loans against mutual funds in partnership with established financial services firms.

The partnership emphasizes the provision of Home Loans (HL) and Loans Against Property (LAP), catering specifically to the needs of small and medium merchants.

## **NPCI Teams Up with Al Etihad Payments**

National Payments Corporation of India (NPCI), through its international subsidiary NPCI International Payments Limited (NIPL), is collaborating with Al Etihad Payments (AEP) to establish a domestic card scheme called JAYWAN in the United Arab Emirates (UAE).

AEP, the national payments entity of the UAE, was established by the Central Bank of UAE (CBUAE) in 2023 as part of the UAE's National Payments Strategy to develop robust financial market infrastructure.

The JAYWAN card is based on India's RuPay card stack, developed by NPCI, which has been shared with AEP to enable the UAE's digital payment sovereignty.

This makes the UAE the first country in the GCC region to adopt the RuPay stack for its domestic payments.

The Indian and UAE governments are working to interlink their national payment platforms, UPI (India) and AANI (UAE), facilitating real-time cross-border remittance.

This interlinking will benefit over 3 million Indians residing in the UAE by enabling seamless cross-border transactions using UPI and AANI.

The JAYWAN card scheme was launched during Prime Minister Narendra Modi's visit to the UAE in February 2024.

The project's first phase, the launch of the JAYWAN card, has been completed, marking a significant India-UAE partnership in digital payments.
