BANKING

Airtel Payments Bank Partners with Axis Bank

- Airtel Payments Bank has partnered Axis Bank, India's third largest private sector bank to digitise the cash collection system in the country's tier III cities and semi-urban regions.
- This partnership with Airtel Payment Bank is yet another step towards embracing digitisation, offering greater convenience and faster solutions to our vast customer base in the semi-rural regions of the country.
- It would also speed up the payment cycle.
- Axis Bank's agents will no longer have to travel back to the branch to deposit the collected EMI amount as they can deposit the amount at any Airtel Payments Bank outlet in the neighbourhood, and it will be immediately transferred to the Axis Bank accounts.

SBI's Establishment of Operations Support Subsidiary

- The State Bank of India (SBI) has received in-principle approval from the Reserve Bank of India (RBI) for its proposed operations support subsidiary aimed at bringing down the cost-to-income ratio.
- The pilot will be launched soon within a quarter or so in a few circles and once the results are

seen, it would be rolled out across India.

- This subsidiary is expected to provide support services mainly for agriculture, micro, small and medium enterprises, other micro-loans, data entry operations, and activities that can be undertaken as allowed for Business Correspondents, among others.
- SBI's cost-to-income ratio stood at 53.3 percent in FY22, an improvement of 240 basis points over FY19 levels.
