### **UAE President Sheikh Mohamed declares 2025 as 'Year of Community'**

United Arab Emirates (UAE) President Sheikh Mohamed bin Zayed Al Nahyan announced 2025 as the Year of Community, aiming to promote unity and inclusion across the society.

The initiative, under the slogan "Hand in Hand," reflects the leadership's vision to foster a cohesive and empowered community.

The UAE is home to over four million Indians, who play a vital role in the nation's diverse population, and this initiative reinforces the leadership's commitment to creating a harmonious

Sheikh Mohamed called on all residents to contribute to community-building efforts, ensuring the UAE remains a model of progress and prosperity.

Sheikh Mohammed bin Rashid, Vice President and Ruler of Dubai, supported the initiative, emphasizing that the nation's strength lies in unity and strong families.

Throughout the year, various events and programs will encourage participation in volunteering, cultural diversity, and community service.

### **India and Oman to Amend Double Taxation Avoidance Agreement**

India and Oman have signed a protocol to amend the Double Taxation Avoidance Agreement (DTAA) and have also agreed to continue negotiations on the proposed India-Oman Comprehensive Economic Partnership Agreement (CEPA).

This was agreed between the two countries during the visit of the Union Minister for Commerce and Industry, Piyush Goyal to Oman.

Piyush Goyal was in Oman to attend the 11th Session of the India-Oman Joint Commission Meeting held in the Omani capital city of Muscat.

The meeting was co-chaired by Piyush Goyal and Oman's Minister of Commerce, Industry, and Investment Promotion Qais bin Mohammed Al Yousef.

During the meeting, both leaders discussed steps that need to be taken to promote bilateral cooperation in trade, investment, technology, food security, renewable energy, and other key areas.

DTAA is signed between two nations to avoid double taxation and prevent tax evasion on income.

Under the DTAA if a citizen/company of one country is working/investing in another country then the

tax on his income has to be paid in one country only as per the provision of the DTAA.

If an Indian working in Oman pays tax on his income in Oman then he will not pay tax on the same income in India. Similar benefits are extended to the Omani working in India or Omani companies investing in India.

### **Fintech Firm Cred Joins Indian Central Bank's Digital Currency Project**

One MobiKwik Systems and Cred have initiated their individual e-rupee pilot programs in partnership with the Reserve Bank of India (RBI).

This collaboration makes them the first fintech platforms to join hands with the RBI for implementing the Central Bank Digital Currency (CBDC).

Yes Bank has been selected as the primary sponsor bank to facilitate the issuance of CBDC for both of these third-party application providers.

With this move, Cred and MobiKwik became the first fintech platforms to partner with the RBI on the central bank digital currency.

Additionally, Yes Bank will be the first sponsor bank to enable the CBDC issuance for both these third-party application providers.

MobiKwik has introduced the e₹ wallet, which is a CBDC wallet now accessible to all Android users.

Cred has introduced an e-rupee wallet for a limited group of users, with Yes Bank managing the issuance of e-rupee tokens in these wallets.

While MobiKwik has fully launched its e₹ wallet for all Android users, Cred has introduced a beta version with limited accessibility.

In the coming months, Cred will introduce programmable merchant payments, integration with Cred Pay, and PIN-less transactions for payments below ₹500.

Cred members who are whitelisted for this service will be able to make bank account-linked UPI payments and transfer funds to other CBDC wallets after completing video KYC.

The Central Bank Digital Currency (CBDC), also known as the Digital Rupee or e₹, is officially defined by the RBI as a digital legal tender issued by a central bank.

It is equivalent to sovereign currency and can be exchanged one-to-one with physical currency.
