IMPORTANT DAY

International Volunteer Day for Economic and Social Development 2019

- International Volunteer Day (IVD), is an opportunity for us all to promote volunteerism, encourage governments to support volunteer efforts and recognize volunteer contributions to the achievement of the Sustainable Development Goals (SDGs) at local, national and international levels.
- At UNV, we are marking IVD2019 with the theme "**Volunteer for an inclusive future**", highlighting SDG 10 and the pursuit of equality - including inclusion - through volunteerism.
- Volunteering provides opportunities for people, particularly those often excluded, to concretely impact their own lives and play a constructive role in their communities by volunteering their time and skills.
- Through volunteerism, communities around the world often experience strengthened solidarity and inclusion.

World Soil Day-December 5th

- World Soil Day 2019 (WorldSoilDay) and its campaign "Stop soil erosion, Save our future" is envisaged to raise awareness on the importance of sustaining healthy ecosystems and human well-being by addressing the increasing challenges in soil management and, raise the profile of healthy soil by encouraging governments, organizations, communities and individuals around the world to engage in proactively improving soil health.
