

NCDEX ties up with NSE Indices to launch AGRIDEX, India's first agri index

NATIONAL NEWS

NCDEX ties up with NSE Indices to launch AGRIDEX, India's first agri index

- The National Commodity and Derivatives Exchange (NCDEX) has launched India's first agri index — '**NCDEX Agridex**', for easy reference to price variations in agricultural commodities.
- Launched with a composition of 10 leading liquid contracts on the NCDEX platform at present, the index is now available as 'indicative'.
- It will be made tradable after being approved from the Securities and Exchange Board of India (SEBI).
- NCDEX has already applied for a formal approval from SEBI, which, according to trade sources, is likely to be cleared soon.
