BIS to set up Pashmina testing centre in Leh

- Bureau of Indian Standards (BIS) would set up a Pashmina testing centre in Leh, in partnership with the lab of Ladakh Autonomous Hill Development Council (LAHDC), Leh.

India, UK launch clean air initiative in Bengaluru

- The Innovating for Clean Air (IfCA), a two-year UK-India joint initiative providing Indian and UK stakeholders opportunities to test interventions related to air quality and EV integration, was launched in Bengaluru.
- The initiative provides a unique measurement system for air quality by integrating satellite and sensor data, and helping to support India transition to electric vehicles.

One nation one ration card scheme implemented in four States

- One nation one ration card scheme was launched a pilot basis in four states- **Gujarat, Maharashtra, Telangana and Andhra Pradesh**. The scheme will provide a major boost to the national food security government.
- Under the one nation one ration card scheme, families who have food security cards will be able to buy rice, wheat or any food grain at a subsidised price from any ration shop in the mentioned states. The ration cards will need to be linked with the Aadhaar Number to avail the service.
- The Union Government plans to extend the **One nation one ration card scheme to all the states by August 2020** to enable the portability of the food security card.

Mobile library service launched by Delhi Public Library

- **Culture and Tourism Minister Prahlad Singh Patel** flagged off a mobile library bus service which aims to reach out to readers in Delhi, especially those in slums, resettlement colonies and rural areas.
- The five-bus mobile library service was launched under the "**Ghar Ghar Dastak Ghar Ghar Pustak**" Scheme of the Delhi Public Library (DPL).

IIT Kharagpur researchers develop 'zero loss' process for wet municipal solid waste management

- A research team from IIT Kharagpur has adapted a process called **Hydro Thermal Carbonization (HTC)** for the Indian conditions which can effectively manage mixed Municipal Solid Waste (MSW) with high moisture content.
- Through the process, most of the mixed MSW can be converted into biofuel, soil amendment, and absorbed.

STATE NEWS

West Bengal launches awareness campaign for preserving greenery and keeping environment clean

- The West Bengal Government has launched an awareness campaign for preserving the greenery and keeping the environment clean.
- The State Chief Minister Mamata Banerjee launched the campaign named as '**Save Green, Stay Clean**' in Kolkata.
- The State Government will distribute more than 1 lakhs saplings throughout the state for spreading of greenery.

ECONOMIC AND FINANCE

Crisil cuts FY20 GDP growth forecast to 6.9%

- Rating agency Crisil Ltd has pared down India's growth estimate for 2019-20 by 20 **basis points to 6.9%**, even lower than the International Monetary Fund estimate of 7%.
- "The revision factors in a triangulation of downside risks: inadequate monsoon, slowing global growth, and sluggish high-frequency data for the first quarter."
